

FESTIVAL REFERENCE MUSIC LIST

Southern California School Band & Orchestra Association

DISTRICT FESTIVAL MUSIC REQUIREMENTS

Bands and orchestras entering festivals sponsored by *SCSBOA* may participate for (1) constructive comments or (2) constructive comments and a rating. To receive a rating, the director must be a current member in good standing of *SCSBOA*. The following are requirements to be eligible for a rating and are suggestions for those performing for comments only.

1. Groups entering in Class E, D, C, and B must perform three (3) selections. One (1) selection must be from the *SCSBOA* list or the *Texas Prescribed Music List* and two (2) selections may be free choice.
2. Groups entering in Class A or AA must perform two (2) selections. One (1) selection must be from the *SCSBOA* list or the *Texas Prescribed Music List* and one (1) selection may be free choice.
3. Festival List selections must be chosen from the classification in which the group enters or from a *higher* classification.

Music from the *Texas Prescribed Music List* will be classified to the *SCSBOA* List as follows:
Grade 1 = E and D; Grade 2 = C; Grade 3 = B; Grade 4 = A; Grade 5 = AA

4. Groups may not repeat selections performed at either district or regional festival in the previous year.
5. Full or condensed scores of each selection must be provided for each of the three (3) adjudicators. Directors are advised to order scores well in advance of their first festival. *SCSBOA* disclaims all liability in suits resulting from unlawful reproductions of scores or parts. *Groups participating without original scores will not be given a rating.* Photocopied scores will be accepted with one of the following: (1) a letter from the publisher indicating that photocopies are acceptable, either for out-of-print music, or back-ordered music or; (2) letter from the music vendor indicating scores have been ordered.
6. Maximum time on stage is thirty (30) minutes. Decisions to perform repeats, *Da Capos*, or extra movements should be made with consideration of this limit.

REGIONAL FESTIVAL MUSIC REQUIREMENTS

All district festival requirements apply to regional festivals. In addition, the following rules apply only to regional festivals.

1. Groups entering Class E may perform the same selections performed at district festival.
2. All D, C, B, A and AA groups must change one (1) selection at the director's discretion. The program must still include at least one (1) selection from the *SCSBOA* or *Texas Prescribed Music List*.
3. All groups must sight-read and the rating is included in the final festival rating.
