**Auditions:** The audition window will open for uploads on 11/1 and close at 11:59pm on 12/1. All auditions will be submitted online via the SCSBOA Website following this process (which is identical to the process used by CBDA for All-State auditions):

1. Students download the **Honor Jazz Audition Student Information Form** and turn it in to their director.
2. Band Directors create the audition accounts for their students using the information on the forms the students submitted.
3. Once the student account is created, students will be able to upload their recordings to the online audition portal. Students do not have to upload all of their audition files at the same time.
4. Band Directors will need to review student submissions and approve them no later than 11:59pm on 12/1. Students should leave their band directors enough time to review their recordings and approve them before the deadline. Anything that is submitted after the deadline will not be considered. No exceptions for any reason.

**All students participating in the Honor Jazz groups this year must provide a negative PCR Test (at-home and rapid tests are not accepted) and must use masks and bell covers while we are indoors.**
