

Honor Jazz Audition Student Information Sheet

Students who intend to audition for the All-Southern Honor Jazz Bands should complete this form and turn it in to their directors who will then create an online audition account for you. Once your director creates your audition account, you will receive an email confirmation and should be able to log in and upload your audition files when you are ready. You do not need to upload all of your audition files at one time, you can upload them any time you like and in any order. After your audition files have been uploaded, your director will have to log in to approve your recordings and submit them to SCSBOA for review.

The window for creating audition accounts and uploading audition files will open on 11/1/21. **All audition files must be uploaded and submitted by your director no later than 11:59pm on 12/1/21. No late submissions will be considered.**

Student Email Address _____

Please do not use school assigned email addresses if possible. Many school districts restrict who you send and receive emails to/from and you may miss important email notifications. Use a personal email address that you check regularly.

Student Name _____

Grade _____ Gender Male Female Non-Binary

Ensemble Auditioning For Jazz All-Stars/Jazz Ambassadors (grades 9-12)
